

Parrot Ultra Gloss & Parrot Ultra Lustre

Parrot Ultra Gloss & Parrot Ultra Lustre papers are new technology papers specially designed to be compatible with aqueous piezo wide format printers. They are also equally compatible with aqueous thermal printers. They are premium 9 mil RC based medias available in glossy and satin surfaces. Designed for wide format graphic arts and photo applications, they incorporate an advanced microceramic receiver layer for instant drying with all types of aqueous based inks.

Features

- Glossy and lustre surface.
- Base – 9 mil.
- Instant dry.
- Superb photographic image quality and consistency.
- Excellent compatibility with all high quality inkjet and thermal printers and especially those designed for photo output.
- Good archival properties and fade resistance.
- Available in roll format.
